No, if you have nothing further that's fine.

Hi Ravi,

Aside from the comments I sent you on the 23rd, I don't have anything official. I think you already passed those on. Let me know if you want me to resend...

Hi Ravi,

I'll try to have something to you at the end of today, possibly tomorrow. Unfortunately (or fortunately) I was on leave since this was sent.

Subject: Draft EW AB Meeting Presentation and Agenda

Ravi, Elizabeth, and Bill,

Attached is the draft presentation and agenda for January's large group anthropogenic background meeting. We have provide ppt and word files in case you want to make edits or add comments. Ideally you could provide us any comments back in time for us to edit and send around to the larger group the first week of January. EWG meets Tuesday afternoon 1/5, so bonus points if you can provide comments back to us by noon 1/5. Note we left one note for EPA consideration on slide 11.

Happy Holidays everyone!

Dan
